Principal Cyber Security Specialist (Operations) in the National Cyber Security Centre

The National Cyber Security Centre (NCSC) is an operational arm of the Department of Justice, Home Affairs and Migration, and is currently comprised of 3 Directorates: Technology, Operations and Resilience/Compliance.

The NCSC is responsible for leading in the management of major cyber security incidents across Government. It is also tasked with providing guidance and advice to citizens and businesses on major cyber security incidents and developing strong international relationships in the global cyber security community for the purposes of information sharing.

The NCSC is now seeking to recruit a Principal Cyber Security Specialist (Operations).

The successful candidate will play a key role in a technologically complex and rapidly growing organisation with an existing set of dynamic and agile teams and extant processes and services.

Full details of the role, including specific eligibility requirements, is available on https://bit.ly/AI_Ad_PCYBSEC

The closing date for receipt of completed applications is **3pm on Thursday, 30th July 2026**.

We are committed to a policy of equal opportunity and encourage applications under all nine grounds of the Employment Equality Acts.
